

Dear Parents/Carers,

## The Magic of Music

Tue. 19<sup>th</sup> September

We are on a mission to bring the Magic of Music into as many Sussex homes as possible. Today at school your child experienced the excitement of seeing and hearing a demonstration of the **cello** which is available to learn at your school.

Learning to play a musical instrument provides children with an experience that enriches their lives in so many ways. Through learning an instrument children will learn musical skills that help develop a lifelong love of music. Research has also shown that there are many other benefits associated with learning to play a musical instrument including:

- raising confidence and self-esteem
- improving teamwork, concentration and many other skills for learning
- connecting with new people and broadening horizons
- improving well-being by becoming happier and healthier

Lessons take place either individually or in small groups during the school day and I am pleased to confirm we are planning to start new pupils this term. If you would like to register your child for lessons please apply directly via our website [www.createmusic.org.uk](http://www.createmusic.org.uk)

If you would like to find out further information, I am hosting a zoom meeting on **Wednesday 27<sup>th</sup> September** at **5.30pm** which you are very welcome to attend. The meeting will last approximately 20 minutes and you'll be able to find out about what's involved in learning an instrument, the curriculum followed, the costs, hiring an instrument and how you may be able to receive financial support towards lesson fees.
