

Dear Parents and Carers,

This is such a short term, it's hard to believe we break up for half term next Friday!

The children have been amazing this week in supporting the Year 6 with their SATS by being extremely respectful around the school and making sure that they are super quiet when the tests are being carried out.

We are continuing to focus on our behaviour rules of being ready, being respectful and being safe. Each week we have a tweak of the week and this week it has been to remember to say thank you when someone has done something for us. We hope you get to hear this at home too!

We would really like to have some support focusing on our marketing and would be very appreciative if anyone can help us create an engaging flier for our schools. If you have any experience in this please can you let the school office know, thank you.
