

Fantasy Maps!

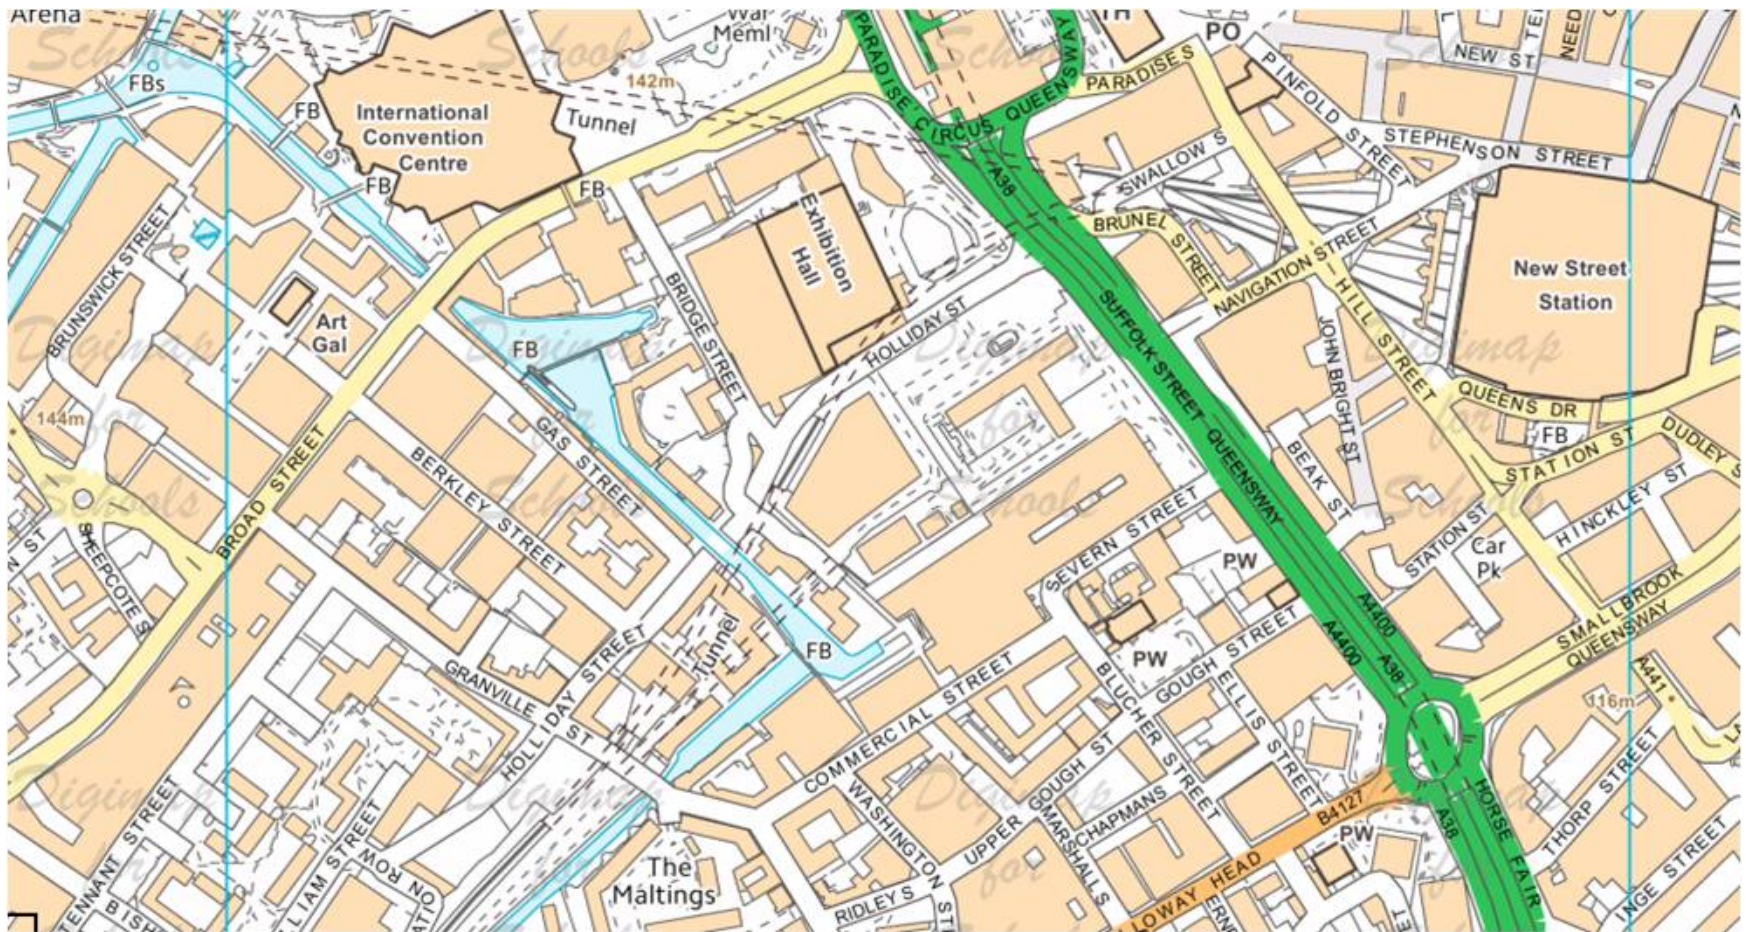

If you could create your fantasy place what would it look like? Would it be urban or rural? Or would it have both? What kind of landscape features would it have? Would it be by the sea or a river? Would there be woods or marshland? Would there be mountains or fields? Might it show a lighthouse or a castle? What would the features on the map be called? How would you show different features in a key?

What features would your map show?
A theme park with a roller coaster and aerial ropeways?

Alton Towers

A busy shopping centre with station, canal and exhibitions?

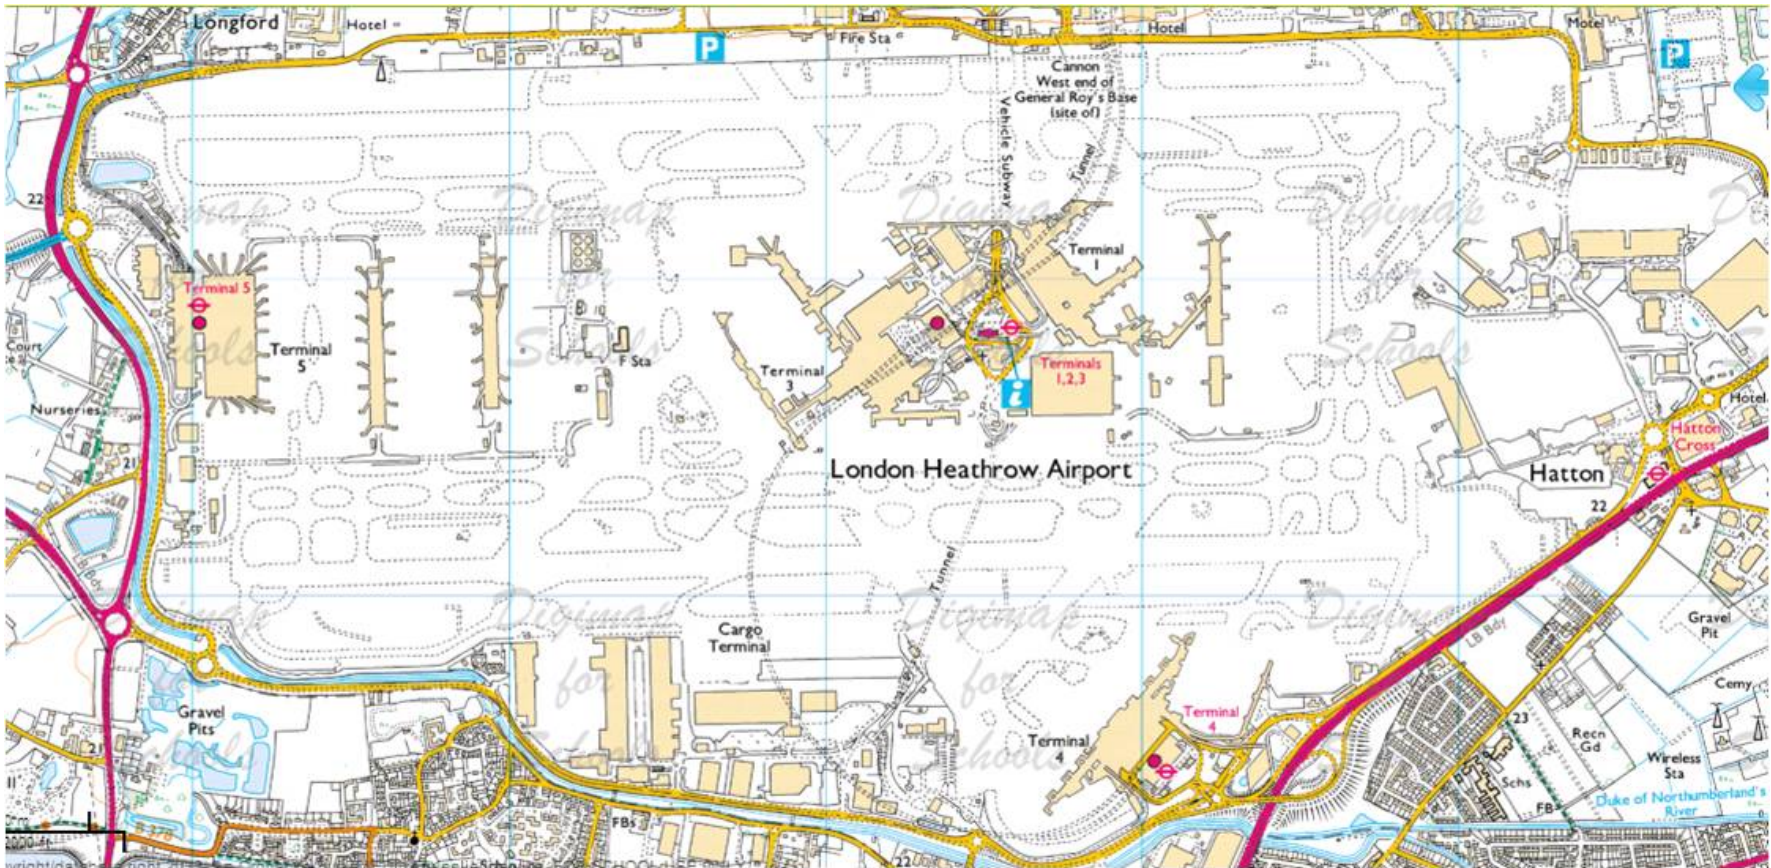

Birmingham

Somewhere for peaceful forest walks with waterfalls?

Near Guisborough, Cleveland

A bustling airport where you could watch the planes take off?

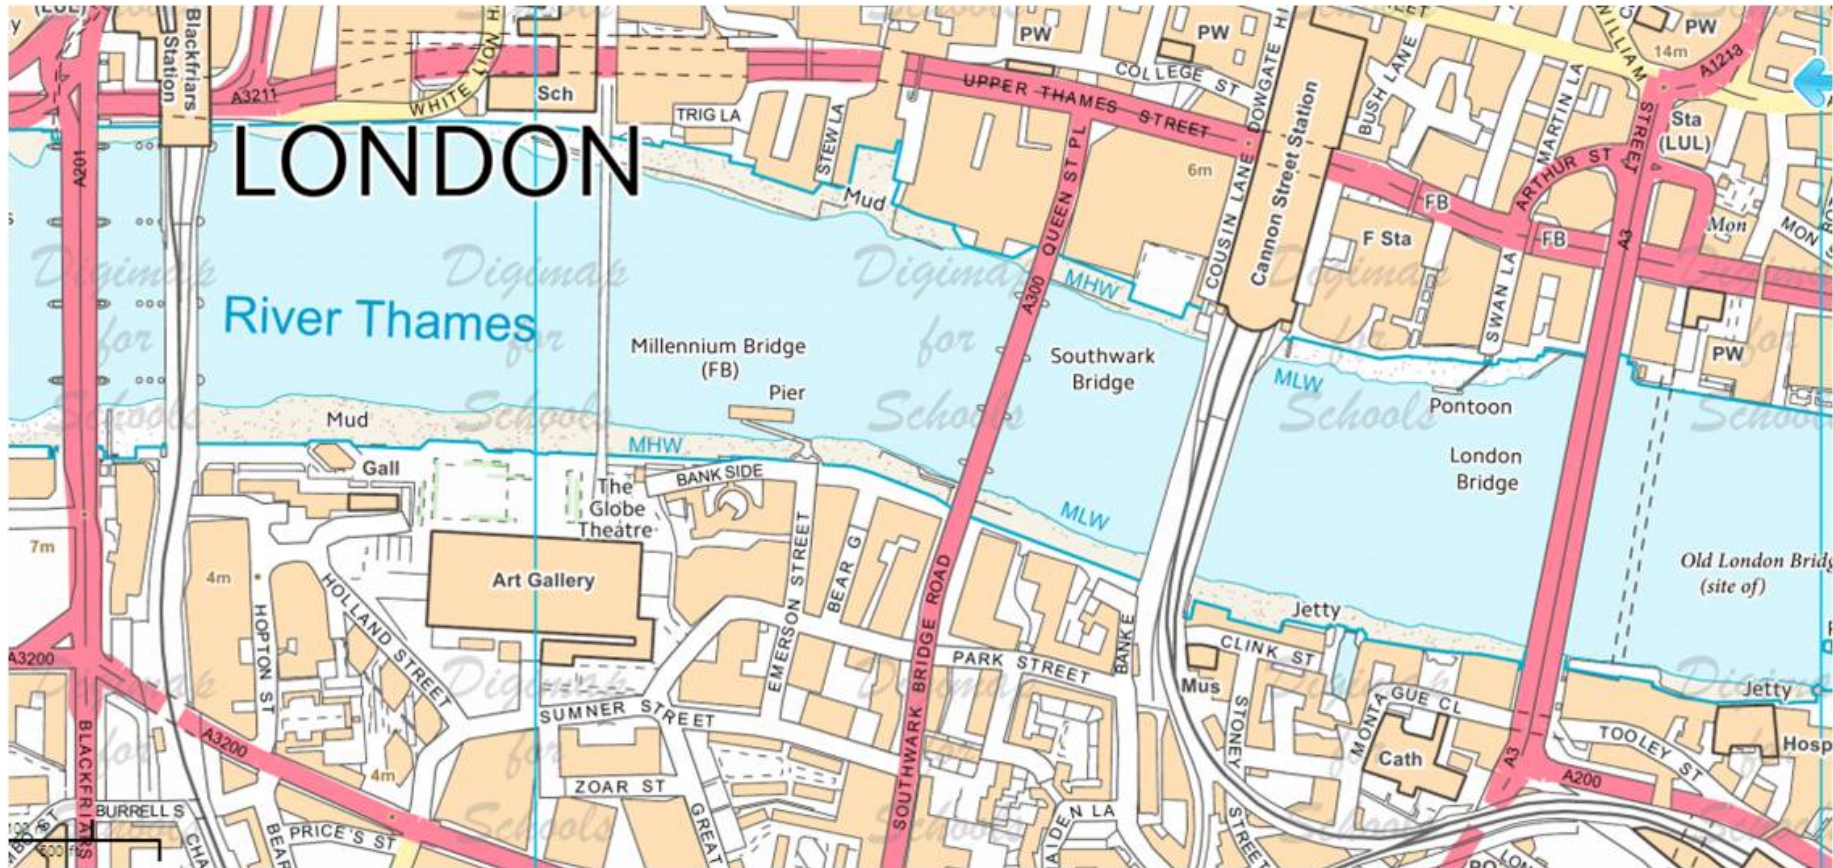

Heathrow Airport

Tracks to explore beside a lake and places to picnic?

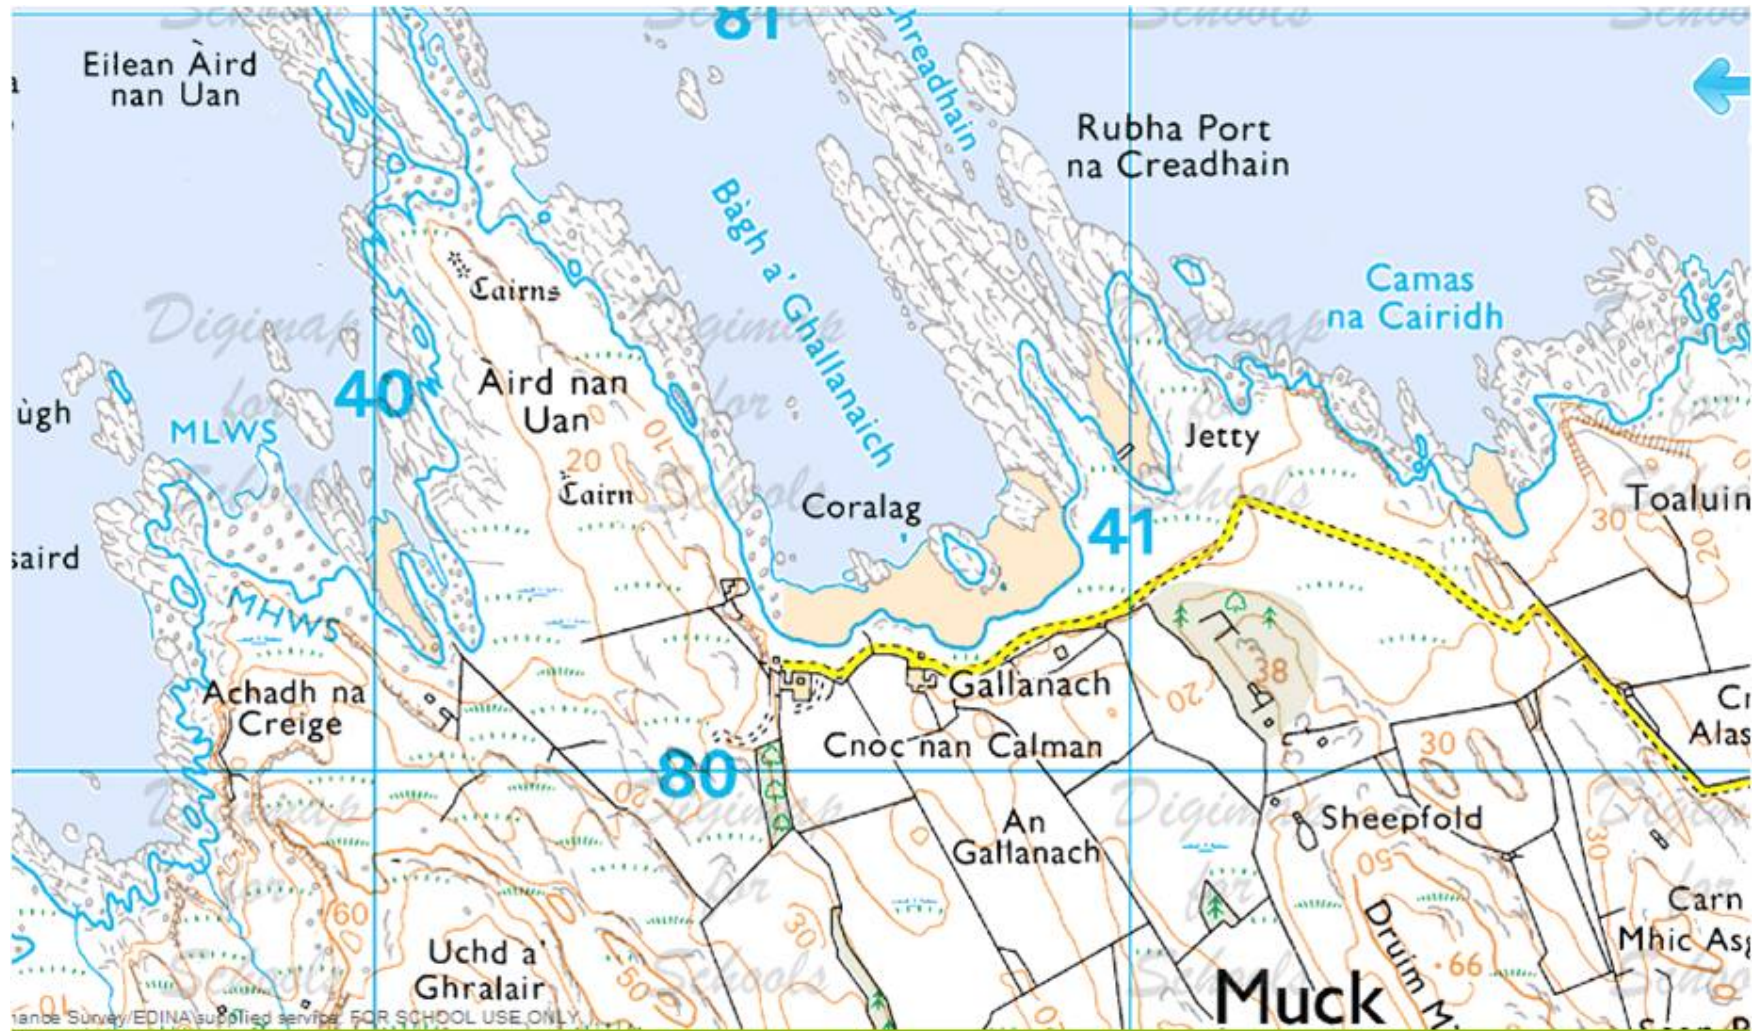

Lake District

A boat trip through the heart of a city,
beneath amazing bridges?

A remote island with rugged coastline and sandy beaches?

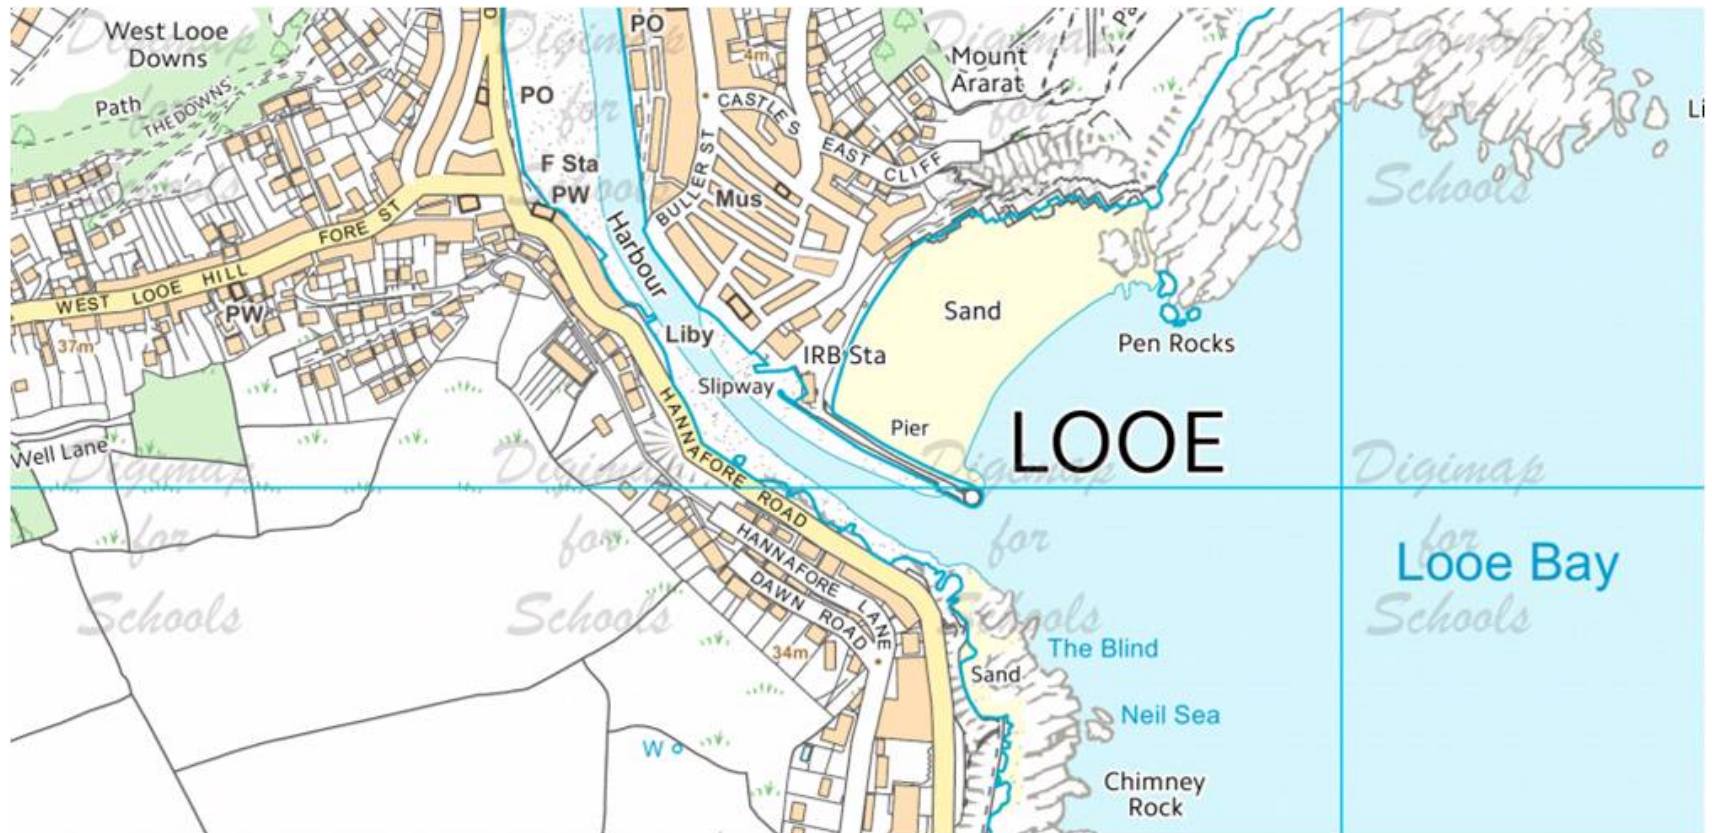

Isle of Muck

Mountains to climb and summits to reach?

Cuillin Hills, Isle of Skye

A pier to watch boats from as they arrive in the harbour? Rocks to scramble over?

A castle where you could go back in time and explore?

Conwy Castle

What would your fantasy place look like?
Study the maps carefully and then create your own!
