

Holly Class Homework Grid – Autumn, Term 1 2023

Homework activities are intended to be as open ended as possible, allowing the children to reflect on their learning in class in a creative way and for the children to make their own decisions on how to collect, record and present their home learning.

Each week your child will be expected to complete a homework grid task. They can answer the question or complete the task in their own preferred way on one or two pages in their homework book. Here are some ideas of how children might approach learning grid activities:

- Drawing, colouring, sketches, labelled diagrams, artwork- painting, collage, 3D constructions
- Cooking with photographs or explanations
- Take photographs or even videos of their work
- Use the internet as a resource
- Tables, charts and grids
- Writing fiction, poems, descriptions
- Writing non-fiction-report, diary, letter, journal, newspaper report, e mail, leaflet, debate or explanation
- Invitations, postcard
- Your child can include objects or resources or references to them.

Termly Reminders

- PE days are Wednesday and Friday.
- Homework show will be every Friday morning.
- Please ensure children have a named water bottle in school.

We hope you have fun learning
